How the Best Become the Best

- As the advisory business evolves, the best financial services professionals must evolve too
- Created in partnership with RJ Shook/Shook Research & Dr. Kevin Elko
- Program merges performance research from our industry along with academic research on the traits of top performers
- Online coaching program open to all financial professionals, consisting of self assessment, coaching videos and actionable worksheets
- [How the Best Become the Best | New York Life Investments](#)

The screenshot shows the New York Life Investments website. The header includes the logo and navigation links: Strategies, Products, Insights, Resources, Who We Are, Accounts, Contact Us, and a search icon. The main content area features a large image of two people in a meeting, with the title 'How the Best Become the Best' and a sub-headline: 'How do good advisors become the best? We've gathered experts who work with top-performing advisors, athletes and clients to share the secret.' Below this is a paragraph explaining the assessment and a 'Take Assessment' button. The lower section is titled 'Core Traits that Help the Best Become the Best' and lists six traits in circular icons: 'Why Are Best the Best', 'Creating Vision', 'Building a Great Team', 'Measuring Results and Maintaining Focus', 'Establishing Connections', and 'Resiliency'. Each trait has a brief description below it.

Meet R.J. Shook

R.J. Shook is Founder & President of SHOOK Research, and Senior Contributor to Forbes. As the world's only Advisor research organization that focuses on the quality of the Advisor and extensive due diligence, rankings are published in multiple feature stories in Forbes and other publications. He founded Winner's Circle in 2000 and provided Wealth Advisor rankings to Barron's (News Corp. acquired Winner's Circle in 2008).

SHOOK Research's philanthropy includes a ranking of America's Top Givers in Forbes magazine; the rankings helped raise over \$300 million. SHOOK's national events have broken fund-raising records by raising over \$3 million for: Susan G. Komen, Children's Cancer Research Fund and Make-A-Wish. After graduating Babson College, Shook spent his Wall Street career with Prudential Securities as a financial advisor, then research. He's written 10 books, including six of his popular Winner's Circle series. He lives in Boca Raton, FL with his wife and three kids.

Meet Dr. Kevin Elko

Dr. Elko is a performance and career-enhancement consultant, nationally renowned sport performance consultant, keynote speaker and best-selling author. He received his bachelor's degree in biology education and coaching from California University of Pennsylvania. He received two master's degrees and a doctorate at West Virginia University and was later inducted into West Virginia University Hall of Fame. Dr. Elko focuses on helping Fortune 500 organizations in the areas of Leadership, Goal Setting & Performance. With unparalleled energy, he highlights the incredible power of resiliency as well as teaches his unique solution to becoming a champion in life and in business.

Dr. Elko has also worked with various NFL teams including the Philadelphia Eagles, Dallas Cowboys, Pittsburgh Steelers, Miami Dolphins and New Orleans Saints as well as seven BCS National Championship Football Teams including University of Miami, L.S.U, University of Alabama and Florida State University.

Meet Jennifer Tarsney

Jennifer Tarsney is the Head of the Advisor Advancement Institute at New York Life Investments. In her role, Jen is responsible for the development and delivery of practice management thought leadership to assist both senior management and advisors in understanding key trends and best practices in asset and wealth management.

Jen joined New York Life Investments in June of 2000 as a Director on the National Account Management team, with responsibilities for building and maintaining strategic home office relationships with New York Life Investments most important client firms.

From June 2008 through October 2018, Jen was the Regional Vice President/Advisor Consultant in New York City, responsible for marketing mutual funds, separate accounts, alternative investments and ETF's to retail wirehouses and regional brokerage firms. Jen began her career at OppenheimerFunds in 1995, where she spent 5 years on the Financial Institutions National Account team.
